<https://www.trellus.ai>

What Problems Does Trellus.ai Solve?

Increase sales, performance, engagement & response rates

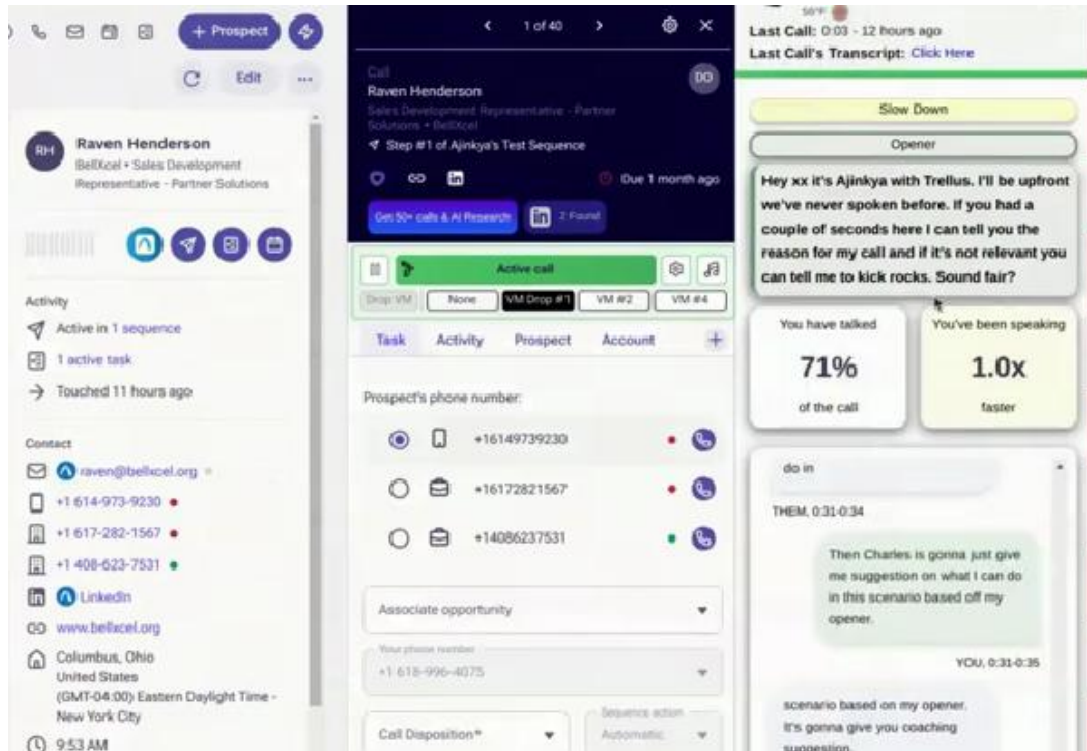

Sale reps to make smarter decision & to be more effective

Sales rep not knowing what to say

Sales reps wasting time and underperforming on calls

Prevents lost deals due to forgetfulness

How Does Trellus.ai Work?

- Analyzes & compares active call to past sales conversation success or failure
- Connects your sales tools or CRM
- Generate a live suggestion prompt of what to say
- Listens to call in real time
- Logs call & automates next steps
- Schedules follow-ups & tracks outcomes

How Can a Small Business Use Trellus.ai?

Bakery:

- **Specific Use:** Can use to provide real-time prompts such as order suggestions as you talk to customers to confirming order details

IT Services :

- **Specific Use:** Can use to guide sales reps through cold or warm calls, provide AI-suggested solutions for client pain points, and track which approaches lead to successful contracts.

Boutique Hotel:

- **Specific Use:** Can use to guide staff on upselling room upgrades, promoting special packages, and answering guest questions in real-time to increase bookings and revenue.
